

Instructions for Completing Membership Form

1. Go to www.hhwgl.ca and click on Membership
2. The form will open and you can fill it in. The dollar amount doesn't automatically calculate so, if required, you need to manually put in the total. You can choose to pay by cheque or eTransfer - it's just a tick box and does NOT automatically take you anywhere to do the transfer.
 - 3a. When you get to the bottom you have a choice to send it in electronically or print it. To send electronically there will be a box to fill in a code. You've all seen this type of code box on other forms such as ticket purchases. All that does is prevent automatic dialers from inundating us.
 - 3b. Fill in the code and click the 'submit' button. If, by chance, you don't get a "Thank-you your form has been submitted" it will return you to the top of your filled in form again. Scroll to the bottom and there will be a new code. Fill that one in and click submit again. Note: If you want to keep a copy print it before you click submit.
4. If you wish you can print and mail or bring it to the Icebreaker Tee with a cheque.
